Dear Kindergarten Children,

I am so excited to hear that you will be in my classroom in five-year-old kindergarten at Kemper Academy! I hope to meet you soon. I will be working in our classroom and planning some really fun activities for us to do together.

School starts on Monday, August 7th. This will be a full and fun day of school. Listed on the back are some things you will need for the school year.

If your parents want to bring the supplies to the classroom before the first day of school, they may bring them to Open House which will be on Friday, August 4th at 6:00 p.m. I am looking forward to meeting you and your parents.

Do you like learning about animals, finger painting, playing games, counting, reading books, writing stories, and playing outside? I hope you do because I enjoy all of those things, too! We are going to have a great year!

If your mom or dad have any questions, tell them to call me. My number is written above.

See you soon!

Love,

Mrs. Wendy Wade
