Summer 2022

Dear K5 Student,

I am so excited to hear that you will be in my classroom in five-year-old kindergarten at Kemper Academy! I hope to see you soon. I have been working in our classroom and planning some really fun activities for us to do together.

School starts on Monday, August 10th. This will be a full day of school. Listed on the back are some things you will need for the school year.

It will help our first day go more smoothly if your parents will bring the supplies to the classroom before the first day of school. They may bring them to **Open House on Friday, August 5th at 6:00 p.m.**

Do you like learning about animals, finger painting, playing games, counting, reading books, writing stories, and playing outside? I hope you do! I enjoy all of those things, too! We are going to have a great year!

If your mom or dad have any questions, tell them to call me. My number is written above.

See you soon!

Love,

Mrs. Wendy Wade
