

WELCOME TO 3RD GRADE!

Dear Parents,

I am so excited to be your child's 3rd grade teacher this upcoming school year! My name is Jill Vick, and this will be my second year at Kemper Academy. I currently serve as the Interventionist and am looking forward to getting back in the classroom.

Third grade will be an extremely important transitional year. This will be a crucial year in which students make the leap from learning to read to reading to learn. Third graders are required to complete much more of their work independently. Therefore, it becomes necessary to develop some new skills. They must become more responsible, develop a good work ethic, and be able to focus for extended periods of time.

This is going to be an exciting year with lots of wonderful rigorous learning and fun filled activities. I look forward to meeting each one of you. Have a great safe summer break and I will see you in 3rd grade!

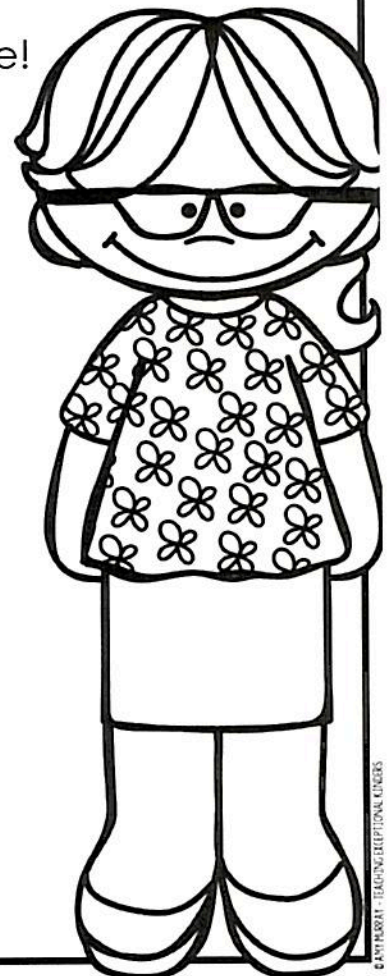

A Promise to You

**I promise you every day your
child will learn something.
Some days they will bring it
home in their hands.
Some days they will bring it
home in their heads,
and some days they will bring it
home in their hearts.**

~Valerie Welk~

Sincerely,

Jill Vick
