

# WELCOME TO 3RD GRADE!

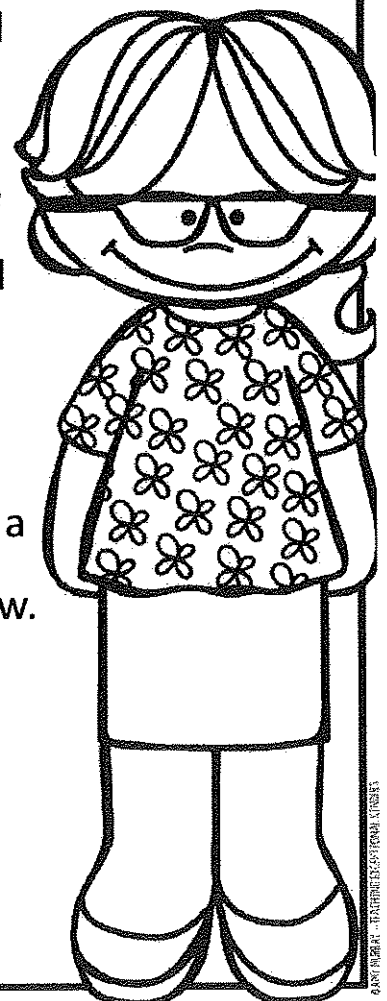

Dear Parents and Students,

Welcome to 3rd grade! My name is Jill Vick and I am so excited to be your child's teacher in the fall. Third grade is an exciting time as children come upon new adventures in learning. This is a year of important transitions, as well as gaining new skills. Your child will transition from "learning to read" to "reading to learn". My desire is to make your child's third grade experience a fun and exciting one and I hope to instill a love of learning.

I believe my role as your child's teacher is to nurture and encourage lifelong learning of my students. Through hands-on activities, classroom discussion, and even the use of humor, I hope to prompt students to think creatively and explore their natural curiosity.

Again, I welcome you to third grade and look forward to a great year of working together and watching your child grow. Have a safe and wonderful summer.

Sincerely,  
Jill Vick
