

Dear Parents,

I'm so excited about the school year! First grade is the foundation for the remainder of the school years. That's quite a responsibility for me as well as for parents. We must work together as unified team. The children are so important to me that I will always make time for a conference or just a quick visit as needed.

I will test your child at the beginning of the school year. Then, I will work with him/her in a small group or individually as needed. I will read each day with your child, and I certainly want to encourage you to do the same. Please continue reading to them as well as listening as they read.

Please share my enthusiasm for reading, writing, and math! Most importantly, I believe most of all that children are fearfully and wonderfully made by our loving God.

Ms. Betty

First Grade Supply List
