Junior/High School

Building Room #3

How will the class work?

Students will be tasked with a variety of tasks that include: hands on installations, troubleshooting, wiring diagrams, and traditional classroom assignments.

Classroom Rules

1. Do your own work! Cheating of any kind will not be tolerated. If a student is caught cheating, they will receive a grade of "0". Additional punishment is listed within the **Kemper Academy Student Handbook**.
2. When completing tasks, the classroom will be the designated jobsite. Inappropriate behavior will NOT be tolerated.
3. Be RESPECTFUL!
4. Use restroom before entering class.
5. While the teacher is speaking, refrain from talking.
6. Place assignments in the tray assigned for your class.
